

LARGE ROBBERY AT BURLINGTON.

We learn that on the day of the Julian, on Thursday evening last Mr. Goodnow, Messenger of Palles, Virgil & Co's Montreal and New York Express, was robbed of a package containing \$5000 in bank bills. Mr. Goodnow had just received the package, which he took to the boat bound to Whitehall. Here he placed it in his side pocket while he unlocked his safe. scarcely three minutes afterwards, upon finding for the package, he found that it was gone. A man named Alexander Hamilton, who was standing near at the time of the robbery, was arrested, but none of the stolen money was found upon him.

A FAIR WARNING.

All persons whose accounts are of more than four months standing, are informed that on the 15th inst., they will be left with an Attorney for collection—unless a settlement is previously made.
